

The FFF & B Ploughing Society plans to hold the event and looks forward to welcoming visitors to the 2021 FFF&B Countryside Day. This Code of Conduct acts principally to guide the protocols which may be in place during the event or in worst case scenario, the cancellation of the event.

- The organisers (FFF&B Ploughing Society) will review any national guidelines and restrictions closer to and during the event, depending if there are any in place and the level of such restriction, therefore a range of procedures might be implemented/ changed to ensure the safety of all members, volunteers, exhibitors and visitors to the Show.
- At the time of the event should there be a new lockdown or restrictions on public gatherings in place we will have no other option than to cancel the show.
- If there are lower levels of restrictions in place, we may be able to continue to run the event, if this is the case it is vitally important that everyone plays their part in making it safe and enjoyable and we need your continued support and cooperation to achieve this.
- Society members, volunteers and visitors are therefore kindly reminded of the requirement to adhere to this guidance and follow all safety requirements to help protect you and others.
- **You must not travel to or attend the FFF&B Ploughing Match and Countryside Day if you or any of your household are experiencing any Covid-19 symptoms** including loss or change in sense of smell or taste, a temperature, or a new persistent cough or any other Covid 19 symptoms.

- **If you develop symptoms during your visit**, we ask that you, and those you travelled with, return home immediately and request a test (following the normal protocols). Please inform the show secretary megansaunders@btinternet.com
- by email of your actions and if you test positive subsequently so that we ensure the safety of others.
- Likely control measures if continuing under reduced restrictions -
- Social distancing and safety measures may be in operation in line with the current guidance. Follow all information and direction signage, and obey any instructions or guidance given by staff and stewards, or over the PA system. This will help you get to where you need to be in the safest and most effective way.

FFFB Ploughing Society Covid 19 Code of Conduct (2021 Ploughing Match and Countryside Day).

- It may be our policy that visitors must wear a face covering when entering and inside all enclosed areas. We recommend face coverings are worn in outside areas where maintaining 2 metres social distancing is not possible.
- **Cash payments will not be accepted at the entrances**, entry to the show is **by advance ticket only**.
- Catering outlets and other trade stands may or may not accept cash - this is at their own discretion.
- You must observe social distancing rules and avoid close contact with others where possible. If you have any concerns about areas of crowding, please inform one of our stewards
- Come prepared for changing weather. To keep everyone safe we have reduced the number of inside areas in operation so please check the weather forecast and bring a suitable raincoat or umbrella so you can continue to enjoy the show in all weathers.
- When using toilet facilities, please follow all guidance including wearing face coverings, be patient and considerate towards other users, and wait your turn to avoid toilet areas becoming crowded.
- Always maintain good hand hygiene whilst at the Show – use the sanitiser dispensers provided always before eating and after touching animals, and avoid touching your face or handles and fences whenever possible. If there are issues with sanitiser points or hand washing facilities, please inform a member of stewarding staff.
- Please remember to maintain safe social distances to other visitors not in your group and be respectful and mindful to those around you whose individual circumstances may differ from your own.
- Please be patient when leaving the Showground and listen to the advice from stewards. It may take longer than normal to leave due to the procedures in place to allow visitors to exit safely and efficiently.
- When attending the Show with others, please make sure they have read and understand these guidelines.
- The Society reserves the right to exclude any visitor that fails to comply with this Code of Conduct.

The Members of the FFF&B Ploughing Society Committee thank you for your cooperation and wish you a Safe and Enjoyable Day.
