The Land Girls Day by Dorothy Allen

Sing a song of Land Girls,

Up before it's light,

With four-and-twenty jobs to do

Before the breakfast bite;

When the breakfast's over

There's little to be done,

Except to plough the furrow

And let the harrows run

All entries must be your own work otherwise let your imagination run wild, have fun and show us what you can do!

.....cut here.....cut here.....cut here.....
